STRENGTH AND WEAKNESS

STRENGTH

I am a hardworking person so that even if I don't know the work, I learn them and complete it. I am good at creativity. I get easily adapted to the situation and work accordingly.

WEAKNESS

I complete the work perfectly even if it gets delayed. I am a diplomatic person. Since I get adapted easily, I even give up my ideas when my colleague's ideas are good.

ROTARACT

- ROTARACT IN MY POINT OF VIEW

Rotaract being a great club, They never forget to achieve. This club is really unique compared to others in their way of thinking and ideas. Being a member of UTSAVA 2K22 , I learnt to have patience. I even learnt that team's satisfaction is equally important to self satisfaction. In this manner, they not only concentrate on completing the work, they even train their team accordingly.
